

CREATIVE

With a clear focus on tailor made solutions and understanding the customer needs, we regularly develop new products and customize the range of our existing products. This reflects in having our products equipped with the latest technology available in the market.

EFFICIENT

Our large experience in the entertainment market, certainly one of the most demanding markets in terms of efficiency, as well as our production tools and testing methods allow us to provide you with efficient and reliable solutions.

AFFORDABLE

The dynamic structure of our company allows us to optimize the operational costs which reflects in bringing high quality products on the market at affordable pricing.

Tiesto concert, Romania.

Scorpions concert, Russia.

Night of the Proms, Belgium.

XCLUSIVE ENTERTAINMENT

Since more than 10 years, we have been equipping the biggest stages and have followed some famous artist like Tiesto, Jennifer Lopez, Patrick Bruel, Scorpions, Fat Boy Slim, Bob Sinclair, Lionel Richie, Armin van Buuren etc.

Aware of the particular needs required by the market, we developed a range of light and thin screens in order to optimize their installation and their transportation.

Our screens are equipped with the latest technology.

In case of specific need, your product can be custom-made to fit your best requirements.

Sportpaleis, Belgium .

Torre Eiffel, Paris.
